Anzac Day Service

Our school Anzac Day Service will be held on Thursday, 7th April at 10:45 am, and will be followed by morning tea for our parents and community members. All are welcome to attend.

Parent/Teacher Conferences

If you missed your interview last week to discuss your child's progress, please contact the classroom teacher to arrange a convenient time to meet.

Cross Country Run

The cross country run event, which was postponed last week due to muddy conditions, has been rescheduled for this Wednesday. Unfortunately, this conflicts with our visit from the Life Education Van. This means that as a school, we will not be participating in the cross country running. Mrs. Hunt has volunteered to mark out a course of equal distance, to time any student who could qualify for the Zone event, being held on 5th May.

ANZAC Day March and Service

The Anzac Day March and Service, which our students have been invited to take part in, will be held on Monday 25th April at 10:00 am, assembling at the corner of Pulteney St and Victoria St. Taree. The service will follow at the Town Clock Memorial. Students are to wear their school uniforms. Mrs Hunt has offered to accompany the students. Please advise the school of your intention for your children to participate.

Chinese New Year

Tomorrow students and staff will be celebrating Chinese New Year by having a Chinese banquet for lunch. Parents and carers will only need to

Education
& Training

supply recess for their children, or if students do not like Chinese food, their lunch as well.

Dress-Up Day

This Friday, students and staff are encouraged to dress up as someone they would like to be when they grow up, or have always wanted to wear to school. This activity has been organised by our student leaders.

Also families are asked to bring recess to share as followed:-

Cyber-safety tips

Safe passwords

Encourage your child to set passwords that are easy to remember but hard to guess.

The best passwords mean something memorable to you, but wouldn't be randomly guessed by others. Select passwords that are:

- **Long** - the more characters your password has, the lower the probability that it can be randomly cracked.
- **Diverse** – use a range of different characters including capital letters, numbers and special characters (like a \$).

When I Grow Up

By Ben Johnson

When I grow up I am going to be an archaeologist to find old stuff that old people used to use. I would put them in the museum for show.

Ben's old stuff. Great story Ben!
