May 26-Thurs Biggest Morning Tea

## Student Banking News

There is a new reward system for students. For those who would still like the backpack under the previous reward system, you have until the end of this term to claim.

## Check Your Sheds!

We have begun an ambitious project with the students of painting a mural on one of our rainwater tanks. If you have any old brushes or brooms (preferably with handles), or buckets you could donate to the school to help with the initial cleaning of the tank, please send them in TOMORROW if possible; one of our parents will be bringing a pressure washer on site.

## Responsible Pet Education

We had a bulldog visit our classroom. His name was Dozza. Wendy brought Dozza to the school. Dozza was white and brown, and wrinkly. He tried to get our attention by squealing and barking. Wendy told us never to approach a strange dog, and to look for clues to see if the dog is friendly.

Always ask the owner if you can pat their dog. If they say yes, let the dog sniff your hand. Then, pat the dog from the collar to the tail. We loved having Dozza visit us. We hope he comes back.

## Stewart House Donation Drive

This Friday is Stewart House Donation Drive. Please return all envelopes with your donation to school **by this Friday**.
