Term 2 - Week 8 - 2022

NAIDOC - Sorry Day

On Friday our students will engage in a range of activities that focuses on Aboriginal culture. The type of activities include beading, weaving, making johnny cakes, watching cultural clips to build the students' understanding of Aboriginal culture.

Day - 17 June

Students Wear - mufti - red, yellow or black coloured clothes

Athletics Carnival

Unfortunately Taree council has indefinitely closed Taree Rec grounds and our Small Schools athletics carnival was unable to proceed.

Currently we are looking at timing and recording distances of student performances at each school, and submitting the results to be considered for zone carnival selection.

Achieving zone selection is very difficult because each student must achieve zone qualifying times/distances.

Mini Pizzas

Last Thursday Ava, Arlo, Michael and Montana created yummy, mini pizzas for lunch.

2023 Kinder Transition

Jace has commenced transitioning into Kinder by joining Mrs Walker's class each Friday.

Last Friday, he was very excited to receive his own "Reading Eggs" account which enabled him to commence his Reading Eggs journey.

Our school welcomes Ethan who will commence Kinder next year. Ethan and his mum Connie, visit our school each week to familiarise themselves with our school's routines.

Ethan has 2 sisters, Maple and Olive, who will also attend our school when they are older.

If you know families with school age children, who may be assessing education options, please let them know about our small school, which provides each student with individualised learning programs, that are tailored to meet students' unique, learning needs.

No other local school can offer these exemplary student-teacher ratios that support each student, to work at their own levels.

Term 3 Music

Next term we aim to employ Damian, an experienced musician and a qualified music teacher, who will deliver an exciting, music program to our students.

The year 3-5 students will learn the ukulele and the K-2 students will focus on rhythm, beat, singing, creating music, and having lots of fun.

Term 3 Sport

This term the students are enjoying hockey lessons with Shaun from Hockey Australia.

Next term, the students will participate in tennis lessons each Friday afternoon.

Basketball Resurfacing Update

The resurfacing of the basketball court has again been "pushed back".

The resurfacing may now occur in the Term 2 holidays...fingers crossed.
